You may attach additional pages where necessary. Your complaint must be typed or legibly handwritten in ink and on white paper. Write on only one side of the paper. Do not use highlighters and do not staple or otherwise bind your papers. All pleadings and other papers submitted for filing must be on 8 ½" x 11" paper (letter size). You must sign the complaint (see page 8). Your signature need not be notarized but it must be an original and not a copy. The Clerk's Office cannot provide you copies of documents in your file without prepayment of \$0.10 per page (for documents electronically available) or \$0.50 (for documents not electronically available). Please keep a copy of the documents you send to the Court.
2. The filing fee for a complaint is \$350.00 plus a \$50.00 administrative fee for a total of \$400.00. This amount is set by Congress and cannot be changed by the Court. After the Court completes the review process, you will receive an Order explaining the findings and any further action you may or must take. The review process may take a few months; each case receives the judge's individual attention. Plaintiffs should not serve defendants, pursue discovery, or request entry of default judgment prior to the completion of this review process.
5. The case caption (page 1 of this form) must indicate the proper Division for filing. The proper Division is where the alleged wrong(s) occurred. Request Trial by Judge United States District Court District of Montana
Bench Trial

I Robert J. Cordice request trial by judge for the following reasons : I have no faith in The State of Montana Legal System caused by their inaction and actions from 9/11/12 to present day. The accused defendants grossly violated their use of power and authority with privileges, conspired against me with no morals, practiced unethical behavior in such an inhumane way, while violating my basic civil rights, an essential foundation of The United States of America.

I have faith in our United States District Courts. I am not educated in law nor our legal system. I do know right from wrong. I cannot afford an attorney, I understand trial by Judge is a more informal trial. I believe I can provide a preponderance of evidence that my basic civil rights were violated and the defendants conspired against me showing great prejudice, using manipulation and deception.

I request to reserve names of my witnesses until the Court request them and any other information. I ask for a speedy trial because of their inaction and actions. I am under doctors care for stage 4 kidney failure, aneurysm, esophagus problems, nerve damage and constant nose bleeds. I explained my situation to the doctors who agreed with me that I could have been poisoned and it is too late to prove. I requested a test to prove this back on 9/11/12 when this occurred. I told both the Sheriff of Meagher County and the Local Hospital Mountainview Medical Center I felt strongly that my son Timothy poisoned me, both of them ignoring my request and concerns.

From Nov 26, 2014 until Nov 26, 2017, because of District Court stipulation, I have not been allowed to contact any of the following people whom are public servants, which is another violation of my civil rights.

The following is a list of names I accuse of conspiring against me violating my Civil Rights.

This is not a conspiracy speculation, this is factual of civil rights violations, abuse of power entrusted in public servants who are expected to have values upholding the foundation of America and Constitution of United States of America 1789 (rev. 1992.) Public figures are deemed to have higher standards with integrity, morally upholding their given duty without prejudiced endeavoring equal justice under law, endowing blind justice, and maintaining a fair and trusted balance of scales seeking unbiased justice .

America is the envy of the world for the freedom we are endowed from our founding fathers, trials and tribulations evident in our Constitution. We must sustain this constitution in order to remain united with equality for all. This is the foundation that the world admires and respects. Abraham Lincoln understood just how important our constitution is if we are to survive in order to seek Liberty and the pursuit of Happiness, resulting in the Civil War of 1861, uniting all the States under the Constitution with equality for all. I fear the possibility of division exists now between states in America. Unity is crucial to survival for the States to remain united. We need to strive for equality in order to remain united.

My diligence derives from my belief in justice and the Constitution. The public servants I have listed allowed themselves to act in violating my civil rights, acting on their personal beliefs, obstructing justice in many ways and depriving victims who needed protection under the law with total disregard of the law, total travesty.

My wife of 43 years, we have two children together, boys who are grown men both have many problems and are convicted felons from Maine. I deeply care for all of them no matter what. Its just the way I am. Diane became ill before we moved to Montana, she was under treatment in Maine but stopped treatment in Montana. Our grown sons came to live with us, I was ok with that because I knew they did not have much of a future with their record and all. I never thought they would do what they have done. This could have been avoided with equal justice under the law. Instead they were given the golden key for criminality causing crimes and with thousands of dollars taken by them. This has led to loss of many assets, my home and my wife, plus my health.

My wife Diane suffers from Delusional Disorder. I know this because of my experience with mental illness, conversations she had with close friends of mine, and the letter she received from Mountainview Medical Center in White Sulphur Springs, MT, stating her need to seek psychiatric help. My personal experience stems from back in 1991 I was hospitalized for severe depression for three weeks, spent years going to M.M.C. Clinic for treatment that was successful with medication. I do carry a burden of being labeled as mentally ill. I was offered a job from The State of Maine to attend classes and become a counselor for the mentally ill. I regretfully turned them down.

My wife Diane with her illness was intimidated by our oldest son. She tried to keep in contact with me but she was not allowed to by our son. He brainwashed her manipulating control using her own medical condition. The public servants involved in the legal matters and responsibilities could not fathom any of this, so they took the law into their own hands causing chaos into our legal system through intimidation to me falsifying information and appropriate action, failing to recognizing the truth. This is why I tried to have my son arrested for a felon in possession with firearms and drugs to prevent any more damage to his mother; she was and still is a victim. The truth for understanding and justice has been blocked by Sheriff Jon Lopp with his clan of back woods comrades in control of Meagher County Legal System, backed by poor decisions by Mr. Timothy Fox, Attorney General. I believe Mr Fox's inactions were for political reasons seeking future advantage. Mr. Fox went as far as to threaten me through litigation but his attempt failed, then he threatened by having a Lieutenant of the Montana

12 of 15

State Police contact me telling me not to contact the Attorney General's Office, If I did I would be arrested for stalking punishable by seven years in Montana State Prison. I emailed back to him trying to explain I am only seeking help from Mr. Fox, wanting his reply, Yes I will help you or no I will not help you, that is all I asked.

Mr. Fox very well knew he was wrong, and at a public dinner he went out of his way to tell a friend of mine, who helped Mr. Fox get elected, I hope you understand I have no authority over Sheriffs in Montana. His duty is to protect the Constitution recognizing all the other States Legal wishes. My sons felony convictions were in State of Maine Superior Court felony conviction, stipulating no fire arms. Only Maine can pardon him, not a Montana Sheriff nor a Montana Attorney General. Our states are united.

I requested a welfare check on my wife because I could not and did not trust the Sheriff Jon Lopp along with District 14 Meagher County Public Servants Here is a copy :

Dear Gail,

I want to use the Public Defenders from the State of Montana regarding this ; I know what I am talking about. I do not want anyone in the Meagher County asked about my request including the Sheriff, Jon Lopp etc.

I need this legal in order to protect myself from this set up Order of Protection. I now know just what our sons are capable of and Diane's mental health. I fear they have cleaned her out and completely taken over everything including Bank Accounts. Terrorizing their Mother for monetary gains, this is an elderly women who suffers from delusion. I know what I am talking about after 45 years plus. I will not go into this now. I hold The State of Montana responsible for the following at this time.

I request a written welfare check physical and mental evaluation of Diane K. Cordice including research of her Bank Accounts to verify of any large amounts on money taken out through coercion - intimidation by our sons, Timothy R. Cordice and David S. Cordice, both having extensive criminal records. I do not want anyone in Meagher County District 14 to be involved or know about this request; Reason I have absolutely no confidence in any and all Public Servants in Meagher County District 14 State of Montana.

I request a written report in detail of this investigation I am requesting deeply concerned of this woman's welfare : Diane K. Cordice.

Please understand my concern and request, I myself unable to do this derived by erroneous Order of Protection. Please advise me on your plans regarding this matter.

Sincerely,
Robert J. Cordice

They did nothing and refused to act on my request ! R.C.

I have over overwhelming evidence of Civil Rights Violations I reserve the right to give the courts and defense any more information until necessary by the U S District Court of Montana.

The Americans with Disabilities Act (ADA) is a Federal civil rights law

Jon Lopp / Meagher County Sheriff ; Knew I was on S.S.D.I. Disability upon my arrest on 9/11/12 and on going. This is just the tip of the Ice Berg :

13415

District 14 of Montana Sheriff Jon Lopp denied me a Federal Advocate or any Advocate at all that I asked for, at the time of my arrest and incarnation, "Rush to Judgement" by Sheriff Jon Lopp. I requested a federal advocate because I was in relapse, confused and unable to defend myself. They refused to allow me to have help that I asked for. This is Disability Discrimination by Sheriff Jon Lopp, who knew of my condition, taking advantage of my disability. Instead Sheriff Jon Lopp interrogated me ferociously.

Maebeth Seidlitz / Meagher County Sheriffs office and jail Supervisor told me while I was incarnated waiting for trial She Said : You have no Rights ! you are a prisoner !

This Sheriff only had two Deputys working for him, both quit and no longer work there. One Deputy told me they all knew how bad my son was. This Deputy knew I was leaving town , and he stopped me and gave me two hundred dollars of his own money, wanting to help me. He is a good person.

City Judge John Wells said to me, after I asked him what he based his opinion on, said we don't even know you ! I don't have to tell you anything ! That is Discrimination, small town oligarchy of District 14 Montana

City Judge John Wells by Montana Law is responsible for his court paper work, but he falsified court papers to look as if another Judge who recently retired held the hearing.

City Judge John Wells was asked by me, where is the Order of Protection ? I wanted to appeal it to District Court in front of a real Judge. City Judge John Wells lied to me and said, "I don't know where it is, they took it" I said who are they ? He said I don't know ! He then said maybe it went to Livingston, Park County with your Divorce. He then said he made mistakes and that he never did one before !

Kimberly Deschene / Meagher County Attorney charged me with violating the protection order when my wife and I conversed through email. I told Kimberly Deschene that we both willingly conversed together, we are both guilty. Kimberly said no, only you, she said to me, I misquoted the law, she can contact you , but you can't contact her.

Kimberly Deschene obstructed justice by withholding crucial evidence, only to seek prosecution for District 14 of Montana, satisfying Sheriff Jon Lopp, City Judge John Wells and herself. They made this personal and prejudice by their personal beliefs. They violated our laws resulting in their ideas of what the laws in District 14 should be. After all, they control District 14 lock stock & barrel.

I was in fear of all of them in District 14 of Montana and great concern of my wife's health. I wanted to get in front a real District Court Judge, so I phoned Kimberly Deschene / Meagher County Attorney office. I told them I was in fear of the Sheriff and wanted to put a temporary Order of Protection on Jon Lopp until I could explain to a real Judge what was going on. Her office reply to me was, Jon Lopp is the Sheriff ! You can't put an order of protection on him ! The conversation ended. I can tell you that is not equal protection under the law. I can tell you much more of this Sheriff and his ignorance.

Paula Wildman / Meagher County Justice of the Peace told me many times she knew nothing of the Order of Protection and did not even know of it, she could not even find it !

Paula Wildman / Meagher County Justice of the Peace later on she told me the Protection Order was written in stone and I could not appeal it. Civil Rights Violation.

Paula Wildman / Meagher County Justice of the Peace, was new on the job, I don't think was even certified, knows very well I sat in their jail over two months without Legal representation. Paula Wildman phoned me in the jail to apologize to me for sitting in jail so long over two months without a

court date and with no representation of any kind. I can say during my hearing with Paula Wildman / Meagher County Justice of the Peace , Kimberly Deschene, that Paula Wildman was on the phone during the whole time talking to Jim Lippert, who explained how to proceed through the process. I sat there like a dummy ! They fined me 360.00 for conversing with my wife, then Kimberly Deschene said to me If you ever come back in front of me I'll Throw The Book at You ! I made arrangements to pay 50 dollars a month. Three weeks later I wrote to District 14 Montana and told them I would sue them over this and I refuse to pay the 360.00. They were in fear of being sued so they had Jim Lippert email me, saying "don't you remember" they waved the fine, you don't have to pay anything. This was a lie by Mr. Lippert and District 14, they did not wave the fine at the conclusion of the court action. This was an action after the fact taken by them in fear of a lawsuit.

Donna Morris / Meagher County Clerk of District Court, I phoned her more than once asking if the Order of Protection was filed in District 14 court ? Her reply every time was, no I know nothing of it ! Every time I asked, they knew nothing, they only produced this order when they wanted to charge me for a violation. Civil Rights Violation.

Kakuk, Michael ; Public Defender told me he had a conflict of interest but he would take the case anyway. He did nothing for me showing by his actions he was helping Montana District 14 prosecution prosecute me. He showed extreme Malice toward me.

I called every county in Montana looking for this Order of Protection Court location where it was filed, in order to appeal to a higher Court and was unable to locate it. They obviously had it all along. They obstructed justice showing great prejudice, lacking any and all accountability by not acknowledging where it was filed. They knew where it was filed.

Mountainview Medical Center

Violated my basic right to life with medical attention; I had been rushed to Mountainview Medical Center from the Meagher county jail three times in a three week period. I was in the custody of Sheriff Jon Lopp at this hospital. At the hospital I was seen by Mr. Brett who the hospital said is a Doctor for this Hospital. I told this Doctor I have been very sick and confused , I believe my son has been poisoning me. This hospital did nothing not even blood work or testing in any way denying me basic rights to life as though I had no value. Today I am under doctors care for stage 4 kidney failure, aneurysm, esophagus problems, nerve damage and constant nose bleeds, skin lesions and had acute vomiting. Dr. Brett quit his job at this hospital and moved to Oregon.

When I was released from the Meagher County Jail I attempted suicide, two men knew of this and came to my aid. They reported this to the Meagher County Sheriff's Office. The Deputy on duty came to me asking for all my prescriptions, he brought them to Mountainview Medical Center who's only action was a reply to the deputy, He will have one hell of a headache tomorrow. They did not even want to see me. I was a human being in a life threatening crucial situation. This may explain why Montana has one of the highest rates in the Country for deaths by suicide. No Intervention ! This hospital has a moral obligation to help me.

Meagher County News ; I spoke with Jason Phillips of Meagher County News about my oldest son a convicted felon with guns and drugs living in the community and the Sheriff's failure to act to protect the community. Meagher County News refused all my attempts to inform the people in this community of the possible danger. Later on I made an agreement with Mr. Jason Phillips to pay money for this information to be printed in his Meagher County News. I sent him a USPS Money Order, his reply was he never received this in the US Mail.

This was obvious to me he was conspiring with District 14 where his paper existed. This News Paper could be a roll model for Russian News Media with no place in America.

Civil Rights Violation Freedom of The Press , Our Founders saw as inherent in the principle of freedom of the press: the search and attainment of truth, scientific progress, cultural development, the increase of virtue among the people, the holding of governmental officials to republican values, the strengthening of community, and a check upon self-aggrandizing politicians.

Please take notice : District 14 of Montana has forged Court Documents, I would not trust any Document from District 14 of Montana unless it could be verified by an independent group.

There are no winners in this case other than the survival of our Justice System, if it survives the Constitution survives, the people win.

Due to my health I ask the Court for a speedy Trial.

Sincerely,

Robert J. Cordice
